

## **Primary September Newsletter**

### **This Month**

As the crisp autumn breeze ushers in September and the leaves begin to change, our primary classroom is ready for a month full of celebration, discovery, and growth! We'll start by honoring Labor Day and Grandparents Day, appreciating the important people and hard work in our lives. Then, we'll explore "All About Me," where our kids will share their stories, families, and interests through creative projects and discussions. Next, we'll dive into "Apple Discoveries," conducting fun science experiments and engaging in apple-themed activities to explore this classic fall favorite. As the season deepens, we'll embrace "Fall Into Nature," observing the changing outdoors, collecting leaves, and learning about the harvest. Finally, we'll focus on "Friendship and Feelings," building empathy, teamwork, and kindness through group activities. Get ready for a vibrant and inspiring September full of learning and fun!
